

# LARS CHRISTENSEN ORTHODONTICS

## Autumn 2017 Newsletter

### No More Impressions!

We use the award winning **TRIOS intra-oral scanner** to take digital impressions of your teeth instead of the old-school putty impressions, making it a more comfortable experience for you and provides you with a quicker service. With the recent addition of a 3D printer for the production of models and bonding trays, Lars Christensen Orthodontics is embracing the most up-to-date technology available to meet and we hope, exceed patient expectations.

### Can't Make Your Appointment?

If you're unable to keep your appointment, please let us know at least 48 hours before so that we can offer your slot to another patient.

### Please Note Our Closed Clinic Days:

Monday 23 October – Hygienist Only

Tuesday 21 November – Hygienist Only

**Dental Hygiene Appointments now available one Saturday a month!**

### Text Reminders

Just a reminder to patients; please refrain from replying to our text reminders other than 'Yes' to confirm your appointment as this number is not monitored. If you are unable to attend or have a query, please call the practice on **01865 514253**.

### Christmas Closures

**We will close for Christmas on:**

**Friday 22 December and reopen on**

**Tuesday 2 January**

**We will open 2 days between Christmas and New Year:**

**Wednesday 27 December**

**Friday 29 December**

### Clear Ear Clinic

In November, **The Clear Ear Clinic** will be opening in Surgery 1. Sarah Elliott is an Ear, Nose and Throat specialist nurse who will be providing microsuctioning to patients who have blocked ears. The Clear Ear Clinic has been open in London for 11 years and is expanding to Oxford. For more information, visit their website: [www.clear ear clinic.com](http://www.clear ear clinic.com).

### New Member of Staff

Sarah, one of our nurses, will be leaving us on 25<sup>th</sup> October to go travelling and we'd like to wish her well on her adventure. We will be welcoming Gemma to the team on 26<sup>th</sup> October. Gemma has been a dental nurse for 15 years but is new to orthodontics. We're sure she will quickly adapt to her new environment.

### General Dentistry

A reminder to patients that we specialize in orthodontic treatment only. If you require a general check-up, have lost a filling or have an abscess please contact your dentist. You should continue to see your dentist for routine check-ups whilst you are under our care.

### Have your contact details changed?

Please keep us up to date with your contact details so that Text Reminders and correspondence are sent to the correct recipients. Particularly important when we send retainers and mouthguards by post so please check with Reception that we have your correct details. Thank you.
